PLUS:

- ATTENDANCE AT YOUR REHEARSAL.

The primary benefit of a wedding rehearsal is to relax and relive as many nerves as possible. A run through of the ceremony with your officiant helps all those involved to know exactly how they need to walk, where they need to sit, when to stand, and everything they need to do. Being able to be in the venue prior to the big day makes everyone much more comfortable and familiar with the space. It makes last minute preparations much smoother, less anxious and more enjoyable.

- A LIST OF QUALIFIED WEDDING VENDORS.

Price List:

PACKAGE THREE: \$1,000

EVERYTHING IN PACKAGES ONE AND TWO.

PLUS:

- CUSTOM-WRITTEN VOWS BY A WORLD-CLASS WRITER that incorporates your personal backgrounds, unique elements of your relationship, and most important values.

We would schedule a call or in person meeting, together as a couple or separate, to jointly create vows that are reflective of who you are, and what you want to say.

- PRE-MARRIAGE COUNSELING AT YOUR OPTION.
